The people of the State of California do enact as follows:

1 SECTION 1. Section 2401 of the Business and Professions
2 Code is amended to read:
3 2401. (a) Notwithstanding Section 2400, a clinic operated
4 primarily for the purpose of medical education by a public or
5 private nonprofit university medical school, which is approved by
6 the Division of Licensing or the Osteopathic Medical Board of
7 California, may charge for professional services rendered to
8 teaching patients by licensees who hold academic appointments on
9 the faculty of the university, if the charges are approved by the
10 physician and surgeon in whose name the charges are made.
11 (b) Notwithstanding Section 2400, a clinic operated under
12 subdivision (p) of Section 1206 of the Health and Safety Code may
13 employ licensees and charge for professional services rendered by
14 those licensees. However, the clinic shall not interfere with,
15 control, or otherwise direct the professional judgment of a
16 physician and surgeon in a manner prohibited by Section 2400 or
17 any other provision of law.
18 (c) Notwithstanding Section 2400, a narcotic treatment
19 program operated under Section 11876 of the Health and Safety
20 Code and regulated by the State Department of Alcohol and Drug
21 Programs, may employ licensees and charge for professional
22 services rendered by those licensees. However, the narcotic
23 treatment program shall not interfere with, control, or otherwise
24 direct the professional judgment of a physician and surgeon in a
25 manner prohibited by Section 2400 or any other provision of law.
26 (d) Notwithstanding Section 2400, a hospital owned and
27 operated by a health care district pursuant to Division 23
28 (commencing with Section 32000) of the Health and Safety Code
29 may employ a licensee pursuant to Section 2401.1, and may charge
30 for professional services rendered by the licensee, if the physician
31 and surgeon in whose name the charges are made approves the
32 charges. However, the hospital shall not interfere with, control, or
33 otherwise direct the physician and surgeon's professional

1 judgment in a manner prohibited by Section 2400 or any other
2 provision of law.

3 SEC. 2. Section 2401.1 is added to the Business and
4 Professions Code, to read:

5 2401.1. (a) The Legislature finds and declares as follows:

6 (1) Due to the large number of uninsured and underinsured
7 ~~Californians and inadequate reimbursement rates from both~~
8 ~~governmental and private payers, a number of California~~
9 *Californians, a number of California* communities are having
10 great difficulty recruiting and retaining physicians and surgeons.

11 (2) In order to recruit physicians and surgeons to provide
12 medically necessary services in rural and medically underserved
13 communities, many district hospitals have no viable alternative
14 but to directly employ physicians and surgeons in order to provide
15 economic security adequate for a physician and surgeon to relocate
16 and reside in their communities.

17 (3) The Legislature intends that a district hospital meeting the
18 conditions set forth in this section be able to employ physicians and
19 surgeons directly, and to charge for their professional services.

20 (4) The Legislature reaffirms that Section 2400 ~~of the Business~~
21 ~~and Professions Code~~ provides an increasingly important
22 protection for patients and physicians and surgeons from
23 inappropriate intrusions into the practice of medicine, and further
24 intends that a district hospital not interfere with, control, or
25 otherwise direct a physician and surgeon's professional judgment.

26 (b) A pilot project to provide for the direct employment of a
27 total of 20 physicians and surgeons by qualified district hospitals
28 is hereby established in order to improve the recruitment and
29 retention of physicians and surgeons in rural and other medically
30 underserved areas.

31 (c) For purposes of this section, a qualified district hospital
32 means a hospital that meets all of the following requirements:

33 (1) Is a district hospital organized and governed pursuant to the
34 Local Health Care District Law (Division 23 (commencing with
35 Section 32000) of the Health and Safety Code).

36 (2) Provides a percentage of care to Medicare, Medi-Cal, and
37 uninsured patients that exceeds 50 percent of patient days.

38 (3) Is located in a county with a total population of less than
39 750,000.

(4) Has net losses from operations in fiscal year 2000-01, as reported to the Office of Statewide *Health* Planning and Development.

(d) In addition to the requirements of subdivision (c), and in addition to other applicable laws, a qualified district hospital may directly employ a licensee *pursuant to subdivision (b)* if all of the following conditions are satisfied:

(1) The total number of physicians and surgeons employed by all qualified district hospitals under this section, ~~as determined by the board~~, does not exceed 20.

(2) The medical staff and the elected trustees of the qualified district hospital concur by an affirmative vote of each body that the physician and surgeon's employment is in the best interest of the communities served by the hospital.

(3) The licensee enters into or renews a written employment contract with the qualified district hospital prior to December 31, 2006, for a term not in excess of four years. The contract shall provide for mandatory dispute resolution under the auspices of the board for disputes directly relating to the licensee's clinical practice.

(4) The total number of licensees employed by the qualified district hospital does not exceed two at any time.

(5) The qualified district hospital notifies the board *in writing* that the hospital ~~has entered~~ *plans to enter* into a written contract with the licensee, and the board has confirmed that the licensee's employment is within the maximum number permitted by this section. *The board shall provide written confirmation to the hospital within five working days of receipt of the written notification to the board.*

(e) *The board shall report to the Legislature not later than October 1, 2008, on the evaluation of the effectiveness of the pilot project in improving access to health care in rural and medically underserved areas and the project's impact on consumer protection as it relates to intrusions into the practice of medicine.*

(f) *Nothing in this section shall exempt the district hospital from any reporting requirements or affect the board's authority to take action against a physician and surgeon's license.*

1 (g) *This section shall remain in effect only until January 1,*
2 *2011, and as of that date is repealed, unless a later enacted statute*
3 *that is enacted before January 1, 2011, deletes or extends that date.*
